Roy F. Fisher, 72, died Thursday night in a Poplar Bluff hospital. He had been a resident of Hope the past 6 years, moving here from Wisconsin. He was a retired farmer and member of the Knights of Columbus, and a member of the Catholic Church. He is survived by his wife Edith Fisher.

Rosary was held 7:PM Sunday night in Oakcrest Chapel. Funeral Mass was held at 9:AM Monday morning in Our Lady of Good Hope Catholic Church, Father J. J. Enderlin officiating. Interment was in Rose Hill Cemetery with Oakcrest Funeral Home of Hope in charge of arrangements.

O. R. GREEN

O. R. Green, 77, died Friday afternoon in a local hospital. He was lifelong resident of Hempstead County and the Ozan community. He was a retired farmer and a member of the Methodist Church.

He is survived by two sisters, Mrs. Josie Smith of Ft. Smith and Mrs. Carrie Carrigan of Hope, several nieces and nephews.

Funeral services were held at 2:PM Sunday in the Oakcrest Chapel with Rev. Joe Jones officiating. Interment was in St. Paul Cemetery near Ozan with Oakcrest Funeral Home of Hope in charge of arrangements.

SHELTON HONEYCUTT

The body of Shelton Honeycutt, 65, formerly of this area, who died in Los Angeles, Calif., will be returned to Hope for burial. The body will arrive here Wednesday and services will be at 10 a.m. Thursday at Herndon Chapel by the Rev. Gordon Renshaw. Burial will be in Holly Grove Cemetery.

Survivors include two sisters, Mrs. Verday May Ellen of El Dorado, Mrs. John Breeding of Hope; four brothers, Jewell of Little Rock, Lemuel of Alexandria, La., Alton of Shreveport and Odie Honeycutt of Hope. Nephews will be pallbearers.

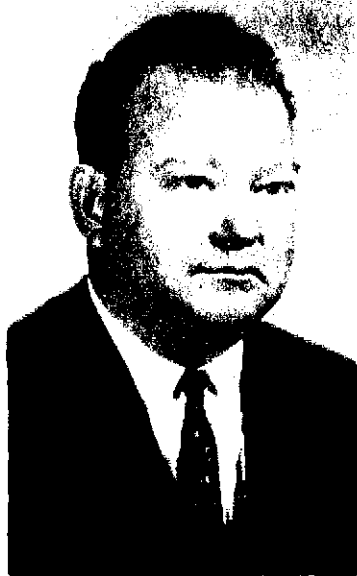

W. C. CLAYTON

William Chris Clayton, 81, retired farmer of McNab, died Sunday in a Nashville Nursing Home.

Surviving are three sons, William D. of Texarkana, Marion D. of McNab and Leonard L. Clayton of Mandeville; three daughters, Mrs. Ruth Barnes and Mrs. Elva Young, both of McNab and Mrs. Dimple Blakely of Texarkana.

Services will be Tuesday at 2 p.m. at McNab Baptist Church by Milton Peebles. Burial will be in Yellow Creek Cemetery by Herndon Funeral Home.

## They Will Handle TV Cable Here

W.A. "BILL" GROVES

DAVID P. MOONEY

LARRY A. MILLER, JR.

Pictured above are the men who will be charged with the responsibility of operating and maintaining the new TV Cable System soon to begin operation in Hope.

These men will be spending a considerable amount of time in Hope while they are arranging for office space and hiring and training local help to man the new facilities.

David P. Mooney, General Manager, was born and raised at Hot Springs, Arkansas. His mother, Mrs. Alden P. Mooney, has held the position of General Manager of the Sentinel-Record and The Hot Springs News Era newspapers for many years.

He is the grandson of the late C. E. Palmer, founder of the Palmer Media Group, which is comprised of nine daily newspapers located in Arkansas and Texas; and three radio stations along with television station KTAI, Channel 6, Shreveport-Texas.

Mooney attended the University of Oklahoma where he obtained his B. S. degree in Business Administration. He has worked with the organization since 1963. He is currently vice-president and general manager of the Community Antenna Television operations serving Camden and Prescott, Arkansas.

Mooney is married to the former Robbie C. McNeil of Stuttgart, Arkansas. They have two daughters—Jennifer, age four, and Jillana, age two.

Larry A. Miller, Jr., Operations Manager, entered the Community Antenna field in 1963 as manager of Magnolia Cablevision Company, at Magnolia, Arkansas. He accepted his present position in December of 1965.

After graduating from Magnolia High School Miller attended Southern State College where he majored in Business Administration. He is a graduate of Tennessee Military Institute's college prep school.

Miller served three years in the Army Paratroopers, with service in the 82nd Airborne Division.

vision and the Airborne, Electronics and Special Warfare Test Board. While in the Army he acquired much technical training, including Riggers, automatic timer, freerfall, and psychological schools. Larry is an avid hunter and fisherman and especially enjoys bow-hunting.

He is married to the former Margaret Boschen of Little Rock. They have two children, James Edward, age 6, and Michael, age 3.

W. A. "Bill" Groves, Sales Manager, graduated from High School at West Fork in Washington County and attended a two year certificate course in Business and Advertising at the University of Arkansas. He is a veteran of the United States Navy.

He has some fifteen years experience in the sales field and has held his present position since November of 1965. He has written and had published several articles dealing with the subject of direct sales and promotion. He is also an amateur artist, and sketches and draws cartoons as a hobby.

Groves is married to the former Sarah Vaughn of Springdale and they have four children, Charles, age 12, Cynthia, age 10, Randy, age 9, and John, age 4.

According to W. R. "Bill" Routon, who is president of Hope Community TV Inc., "These men are very well qualified for the tasks which they will be performing here in Hope. The combination of their ability and experience will go far toward making this new venture one in which Hope citizens can take justifiable pride."

## Seeks Trade With Europe's Communists

NEW YORK (AP) — The Rockefeller brothers and Cyrus S. Eaton Jr., representing two of the nation's richest families, plan to build a better trade bridge between the Western Hemisphere and Communist countries in Eastern Europe.

The financial alliance, linking Wall Street and the Midwest, was disclosed Sunday and confirmed by Richard S. Aldrich of the Rockefeller interests.

It will involve cooperation between the International Basic Economy Corp., controlled by the Rockefeller brothers, and Tower International, Inc., headed by Eaton, a Cleveland industrialist.

Aldrich, a vice president and director of IBEC, said his organization's objective "is to improve the standard of living of the peoples of the world."

The trade exchange plan — encompassing the United States, Canada and Latin America — brings together the enormous investment skills of the Rockefeller family and the almost unique relationship the Eatons have with the Soviet bloc.

## Representative of Nursing Speaks Here

In a school assembly held Friday January 13, the guidance counselor, Floyd Young, Jr., Yerger High School presented Mrs. V. L. Rotert, a representative from the Sparks School of Nursing, Fort Smith, Arkansas.

Mrs. Rotert discussed various careers of health such as the one year practical nursing course, two and one half year professional nursing, two year X-Ray technology program and the fourth year of medical technology.

During the discussion she explained the requirements for entering the school, the curriculum of the school, the tuition, the number of years required to complete the courses, and the approximate salary one can earn in these careers depending upon the region in which he or she will be working. It was also brought out that there are several scholarships that are awarded to students who show academic ability as well as an interest in these courses, to help them financially.

She pointed out that some areas are handicapped by the lack of health workers, and that future workers must be recruited from our schools as well as all others.

During the question and answer period several questions were asked by students and faculty.

Remarks were made by Principal H. B. Boy and Supervisor W. V. Rutherford.

The discussion was very informative and it was enjoyed by all.

the United States and the Soviet Union, has cultivated some support behind the Iron curtain by his trips to Moscow. He has entertained Soviet leaders, including former Premier Nikita S. Khrushchev.

In today's New York Times, a two-page Soviet advertisement stresses that ideological differences are no barrier to trade, and assures American businessmen that Soviet foreign trade organizations "are also ready to strike up relations with you."

The two-page spread, headed "Foreign Trade—Two-Way Traffic," further states that "The U.S.S.R. favors mutually beneficial trade relations with the countries and this is not a mere political assertion." The advertisement was placed by Amtorg Trading Corp., which handles most trade between the United States and the Soviet Union.

The IBEC, organized in 1947 by Nelson A. Rockefeller, now New York's governor, specializes in investments in underdeveloped nations. It has interests in 29 nations, but none in the Communist bloc.

Tower International has specialized in promoting and arranging the financing of projects in Eastern Europe.

Lake Louise in the Canadian Rockies is internationally famed for its beauty.

## Dismissal of Baker Case Argued

By RAYMOND J. CROWLEY  
WASHINGTON (AP) — Lawyers argue today whether charges against Bobby Baker should be thrown out because of "bugging" incidents.

The federal trial of Baker, former secretary to Senate Democrats begins its second week. He is charged with income tax evasion, larceny, larceny after trust, interstate transportation of stolen money and conspiracy.

Baker's attorney, Edward Bennett Williams, asserts — and the government acknowledges — that:

On March 25, 1965, U.S. agents listened in on a phone conversation between Baker and Wayne L. Bromley, former lobbyist and former Baker associate who is expected to be a government witness in the trial.

The next day Bromley wore a concealed microphone to a conference with Baker and former Lt. Gov. Clifford Jones of Nevada at the Beverly Wilshire Hotel in Los Angeles. The conversation was transmitted to government monitors.

Williams contends — and the government denies — that this violated Baker's constitutional rights.

William O. Bittman, Justice Department prosecutor, said Bromley had sought government protection because Bromley feared an attempt was underway to involve him in a conspiracy to lie before a grand jury investigating Baker's affairs.

Bittman said the bugging was done with Bromley's consent, and that the intercepted conversation did disclose an attempt by Baker and Jones to get Bromley to commit perjury. Jones is now awaiting trial on a charge of perjuring himself before the same grand jury.

## ENGAGEMENT ANNOUNCED

JANEY LEONARD

Mrs. Russell Leonard announces the engagement and approaching marriage of their daughter, Jane, to Larry Morrow, son of Mr. and Mrs. R. H. Morrow of Prescott.

Miss Leonard is a senior at Thompsons Observe 50th Anniversary

Mr. and Mrs. Emory Thompson were honored with a dinner party on their 50th Wedding Anniversary, January 13, in the home of their daughter, Mrs. Duffie Day Booth, and Mr. Booth. A gold and white corsage and boutonniere were presented to the honorees.

Dinner was served to 22 in a setting enhanced with gold chrysanthemums flanked by gold candles. Potted red tulips were also in the entertainment rooms. A poem about the Thompsons, written by a granddaughter, Suzanne Booth, of Little Rock was read aloud by Miss Booth to the delight of all at the party. The honored couple also received many nice gifts.

Those coming from out of town included Mr. and Mrs. Sam Young, Little Rock; Mr. and Mrs. Orville Foster, Stamps; and Mr. and Mrs. E. E. Armstrong, Atlanta, Tex.

Camera Chamber  
Our word camera is really the Latin word for chamber. The camera is so-called because of the chamber that separates the lens from the film or plate.

### BRIDGE — LUNCHEON AT GRAVES HOME

A Thursday Bridge-Luncheon Club met with Mrs. John Robert Graves on January 12, and attractive potted plants were seen at vantage points in the home. A delicious luncheon was served at noon, followed by two tables of bridge in the afternoon.

Besides the club members other guests were Mrs. Charles Sharpe, Mrs. Don Usry, Mrs. Al Graves, and Mrs. John Lester. Prizes were won by Mrs. Sharpe, high, and Mrs. Jim Lockhart, second high.

### Coming, Going

Mrs. Pearl Hasy and daughters, Sandra and Charlot, have returned home to Mineral Springs after spending Thursday with her mother, Mrs. Tullis.

Mrs. Izora Tullis and Mrs. Pearl Hasy visited Mrs. Jewell Pettit, Thursday.

BOTTLED EVANGELISM  
MINNEAPOLIS, Minn. (AP) — In one of his periodic letters to supporters, Evangelist Billy Graham offers one of his modern parables, saying:

"An American soft drink company has just announced that through use of computers they are hoping that every person in the world will at least have a taste of their product by 1971. They are daily studying their distribution so that the world might be reached by their soft drink."

"If a soft drink company can use modern methods to get their message over to the entire world within a few years, why can not the Christian church?"

## Television and Radio

By CYNTHIA LOWRY  
AP TV-Radio Writer

NEW YORK (AP) — All the familiar elements were there the "dum de dum dum" theme, badge 714, and even Jack Webb still wearing a sport jacket and a disgusted look.

But either something has happened to "Dragnet" in the years it has been away or something has happened to this viewer. The old magic just wasn't there.

For one thing, the bare bones of the format were in full sight Thursday night during the premiere of the NBC series. What was particularly awkward was the rigging of dialogue so that Sergeant Friday — he was demoted from lieutenant during his absence from prime time — could come in with a cynical crusher.

Typical was a final scene as Friday and his partner, now played by Harry Morgan, caught up with a boy who had been using and peddling LSD capsules.

"He's been taking them — the pills — all day," explained the boy's buddy. "He kept saying he wants to get even farther out."

"Well, he's made it," said Friday. "He's dead."

There was not much of a police action plot to the first show. It was more of a preachment against use of LSD.

Webb, looking older and dour, did most of the police work. Morgan, an excellent actor, had not much more to do than tag along, and once was allowed to say that he would cover the back while Friday went in the front.

All this was disappointing to an old "Dragnet" fan. It was like going back to the old home town and finding that it was all very different from the way you remembered it. Of course, maybe the mistake is in going back...

## HELEN HELP US!

by Helen Bottel

### YOUTH ASKED FOR IT!

This column is for young people their problems and pleasures, their troubles and fun. As with the rest of Helen Help US!, it welcomes laughs but won't dodge a serious question with a brush-off.

Send your teenage questions to Helen Help US!, this newspaper.

### TOWARD A PERFECT SQUELCH

Dear Helen: Tell me how I can put a catty female in her place. She's always making remarks about HER perfect figure, which isn't all that good, being of the shifted hourglass variety, and sneaking in little asides about how the rest of us should watch our eating.

She never misses a chance to brag that her top weight is 124, while staring us up and down as we try a bite of dessert. Well maybe, but you should see her without a girdle! How can we squeal her? —36-26-36

Dear 36: Why not murmur with a pointed look: "Nice about your top weight, dear, but bottom weight is more important—that's where it shows!" —H.

Dear Helen: Bully for the Spanking Mom. Why shouldn't unmannerly children be spanked in front of their friends? I give you the Bible, Deut. 21:18-21:

"If a man have a stubborn and rebellious son, which will not obey the voice of his father... or mother... then shall his father and his mother lay hold on him and bring him out unto the elders of his city and unto the gate of his place; and they shall say unto the elders... this our son is stubborn and rebellious, he will not obey our voices; he is a glutton and a drunkard. And all the men of the city shall stone him with stones, that he die." —GRANDMOTHER

Dear Grandmother: Seems like this treatment is a little severe—you'd lose a lot of kids that way. —H.

Dear Helen: My daughter tells me there's a rumor around school that one of the boys takes birth control pills. I'd like to know if there's any reason a boy should take them, and why. CONCERNED

Dear Con: There's a very good reason a boy should take The Pill—if he has acne.

My doctor tells me the mildest (2 1/2 mg) birth control pill is now being used to combat adolescent blemishes caused from hormone imbalance. It has done wonders in some cases; in others—nothing.

But many physicians are trying this new treatment, along with the usual diet and cleanliness routine.

The Pill is also used to help regulate the menstrual cycle and correct difficulties which cause pain and discomfort in young girls just starting their periods. Mothers sometimes react to such news with extreme shock, says my doctor, who has asked me to reassure them via HHU.

So for all parents I write: The Pill is beneficial in many ways. If your doctor recommends it for your teenage daughter, take his word—it is meant as a corrective medicine and I'm sure will be regarded as such.

He may also prescribe it for women who need medical help getting through the menopause. It's truly a versatile little disc—that birth control pill—H.

Dear Helen: I wrote to you 10 months ago. You answered in the paper, very sarcastically and made it sound like I was a hateful, jealous woman, which is not the case at all.

Must you be so mean? I realize a lot of people need and deserve to be put in their place, and I enjoy some of those answers, but what I don't understand is why you must be so sarcastic and sometimes downright cruel with people.—T.Y.

Dear T: What I don't under-

stand is this: My column wasn't running in your newspaper 10 months ago. Are you sure you have the right person? Please send in your problem again, with a stamped self-addressed envelope. I'll answer personally, and, believe me, NOT sarcastically! —H.

## Hope Makes Victim of Arkadelphia

By LARRY DON WRIGHT  
Hope Star Sports Writer

The Hope Bobcats utilized a well rehearsed fast break some heads up defensive play to push back a stout challenge by the Arkadelphia Badgers, 56-45, Saturday night in Jones Field House.

Passing the ball on the fast break better perhaps than they have all year, the Cats boosted their Region 4AA record to three wins against one loss through the first two weeks of play.

To do so however the Bobcats had to beat back a last quarter Badger rally, which they did in fine style.

Having trailed by a margin of two to seven points most of the night the Badgers turned it on with five minutes still showing on the clock in an effort to overcome a Bobcat lead of 42-37.

But the Cats fought fire with fire as they rose to the occasion and stretched their lead to a comfortable eleven points before the final buzzer.

The Bobcats jumped to an early lead of eight points in the first three and a half minutes before slipping to a 15-11 advantage by the end of the quarter.

Stan Parris, the Bobcats 6-foot-4 senior postman, led the charge as he tossed in 11 points in the first quarter.

The Badgers did have the lead at one point during the second stanza, 18-17, but it was short lived as they trailed the rest of the night. Hope commanded a 24-21 halftime lead.

The Bobcat lead swayed from seven early in the third period to a slim two with less than a minute left in the third. However the Cats put down this would-be threat as they were out front, 39-33, going into the final period.

Parris was high point for the night with a total of 22 points while Danny Griffith and Luther Shaw hit for five each. Stan Reynolds had 4 and Dwight Galloway had 2.

The Cats will travel to Crossett for a game with the Eagles this Friday before returning to Jones Field House Saturday to do battle with the Warren Lumberjacks.

Hope also won the B-team game from the Badgers, 49-37, as they led the entire night.

The Bobcat junior varsity poured it on during a big second quarter to take a 27-18 halftime lead and then coasted an impressive win.

John Henley led both teams with 16 points. Others scoring for the Hope boys were Terry Turner 9, Terry Hairr 7, Wayne Norvell 7, Jerry Hartsfield 4, Montie Garner 3, and Donny Middlebrooks 2.

However Hope did drop one decision to Arkadelphia as the Bobkittens 45-24, in the second game of the night.

For the Kittens Ronnie Brown had 9 points, David Still 8, Tommy Adams 4, Thomas Norvell 2, and Glen Black 1.

## Robinson Now to Get \$100,000

BALTIMORE (AP) — Slugging outfielder Frank Robinson of the Baltimore Orioles, who is spending most of the winter picking up a lion's share of the prizes on the banquet trail, plucked off the biggest plum of the off season during the weekend, a \$35,000 raise.

Robinson and Harry Dalton, director of player personnel for the Orioles, huddled for only five minutes Saturday before agreeing that Frank should receive \$100,000 for the upcoming season. He got an estimated \$65,000 last year.

It's doubtful Robinson will do more in '67 than he did last season, but he hopes he can be more consistent.

"I told Harry I thought I could hit for a higher average and drive in more runs next season if I would be more consistent," Robinson said.

In 1966 Robinson was the American League's most valuable player as he won the triple crown with a .316 batting average, 49 home runs and 122 runs batted in. He also was voted the outstanding player in the World Series which the Orioles swept from the Los Angeles Dodgers in four games.

## Green Bay Takes Chiefs in 2nd Half

By JACK HAND

Associated Press Sports Writer LOS ANGELES (AP) — Vince Lombardi thinks the Kansas City Chiefs simply don't rate with the top teams in the National Football League after watching his Green Bay Packers whip the American Football League champs in Sunday's first Super Bowl game.

"They have a good football team with fine speed but I'd have to say that NFL football is tougher," said Coach Lombardi following the Packers' 35-10 victory before a rather disappointing crowd of 63,036 at the Memorial Coliseum.

The game was supposed to prove which league played the best ball and the NFL came out of this first prestige test with flying colors.

Hank Stram, coach of the Chiefs, paid his respects to the Packers as an excellent team but he maintained, "One game is not a true test of the abilities of both leagues."

Perhaps the best comment of all was made by Lamar Hunt, owner of the Chiefs, founder of the AFL and a major factor in the merger of the two leagues.

"I'm disappointed," said Hunt. "I told somebody they didn't keep the time right. The first half didn't run long enough and the second half ran too long."

At the end of the half the Packers clung to a precarious 14-10 lead and had been out-gained by the Chiefs.

In the second half the NFL champs manhandled Len Dawson, the Chiefs' quarterback, and dominated play by a 21-0 edge.

Willie Wood's interception of a Dawson pass early in the third quarter was the first indication that the Packers were aroused. In the first half they had failed to pressure Dawson and let him scramble around.

Wood rammed 50 yards to the Chiefs' five after picking off the pass that was deflected by Lee Roy Caffey. Elijah Pitts went in on the next play and the Packers were on their way.

Bart Starr had a tremendous day, picking out receivers or calling the right ball carrier on those important third down situations. Of 14 third down calls in the game, Starr produced first downs 11 times. He was named the Most Valuable Player of the game and winner of a special sports car award by a magazine.

Starr threw two touchdown passes to 34-year-old Max McGee, who caught only four passes during the regular season. The 11-year-veteran led the receivers with seven for 138 yards including the scoring plays of 37 and 13 yards.

On most of his catches the victim was Willie Mitchell, a corner back who was signalled out for special attention in the Packers' game play.

McGee got into the game when Boyd Dowler, the regular flanker, suffered an injury to his right shoulder on the third play of the game.

Los Angeles, Super Bowl gal2 "It was our game plan to throw a lot to the receiver on the weak side," said McGee. "I just happened to be the one."

Talking about the first TD pass that he caught one-handed, McGee said, "I was so surprised that I expected to open my other hand and find a silver dollar."

Starr completed 16 of 23 for 25 yards and two TDs but also had one intercepted by Mitchell, his first in 173 tosses since Oct. 16. He also had a 64-yard touchdown pass to Carroll Dale called back because of a penalty.

Jim Taylor, who still has not signed his 1966 contract and may have played his last game for the Packers, stormed home from the 14 in the second period.

Elijah Pitts, who took Paul Hornung's place, scored twice from the five and one. Hornung, suffering from a pinched nerve in his neck but supposedly available for duty, did not get into the game.

Several of the Packers reportedly have been thinking of calling it quits but the rich postseason rewards (\$15,000 for winning the Super Bowl, plus about \$8,500 for beating Dallas for the NFL title) may make them change their minds. McGee was one of those who said he planned to retire.

The failure to sell out the Coliseum for this game was blamed on the ticket scale (\$12, 10, 6) and a backlash from fans about the local area being blacked out on television. Another factor was the late date in announcing the site of the game due to prolonged negotiations with the TV networks, two of

which (NBC and CBS) finally did a joint telecast.

When Dawson was not pressured strongly in the first half he was able to hit with 11 of 15 including a seven-yarder to Curt McClinton for a touchdown.

Mike Mercer, who missed with a 40-yard field goal attempt in the first period, made good from 30 yards out in the dying seconds of the first half.

The Chiefs never got closer than the Packers' 44 in the second half and that was after Pete Beathard had taken over for Dawson at quarterback. Dawson wound up with 16 of 27 for 211 yards. The two Kansas City quarterbacks were dumped six times for 61 yards, trying to pass.

## Yerger Drops Two Games on Weekend

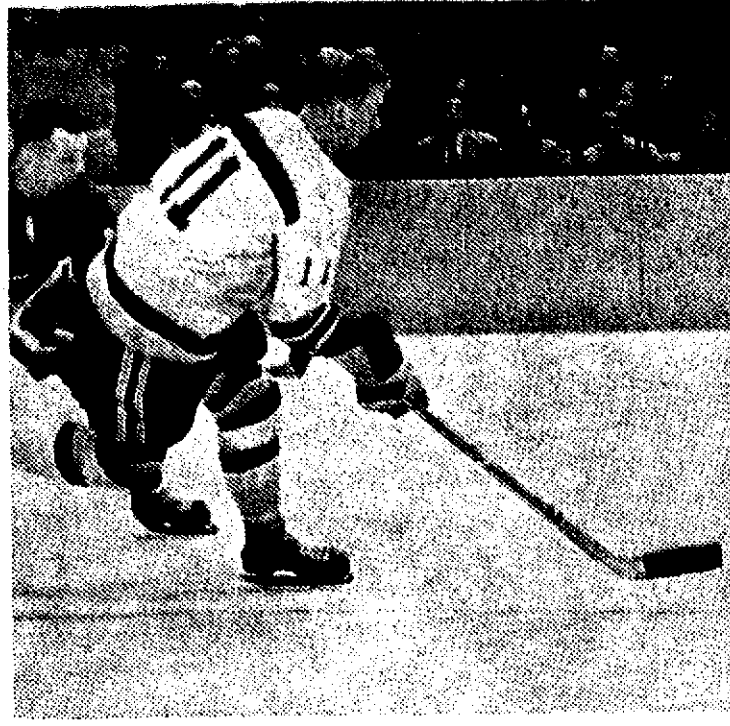

By JAMES HAMILTON

The Yerger Tigers played one of their more suspenseful and exciting games of the season against the Peake High Buffaloes in Arkadelphia. But despite an explosive effort by the Tigers, they were not able to defeat the Buffaloes and lost by scores of 20-17 and 43-33.

The Tigers' Junior Boys started off the action against the Junior Buffaloes with power to spare and made it seem as if they were going to come through with a second straight victory.

The Tigers led at the end of the second quarter by a score of 10-7, which wasn't a very confident margin. With such a short margin held by the Tigers, the Buffaloes were able to comeback and eradicate the lead in the fourth quarter and defeat the Tigers' Junior Boys by a score of 20-17.

Frank Prather was not alone this week in doing the scoring for the Tigers. Frank Prater in Saturday's game only scored 10 points while John Dudley scored 7

points and they combined to make the Tigers 17 points.

The Senior Boys, after losing Friday night to Camden by a score of 95-57, felt that they had to console themselves by defeating Arkadelphia, but instead they were again defeated 43-33.

The Tigers had previously been without the assistance of Ernest Standokes, but with Ernest there to sting them along they still

didn't seem to be at their best. The Tigers were not able to hit any of their field goals or free throws. Due to these factors the Tigers lost their 5th game of the season.

At the end of the first half, the Tigers were only behind by 3 points as the score was 13-10. But after the half the Buffaloes pulled away from the Tigers and at one while led them by 19

points. The Tigers, not again wanting to be so badly beaten managed to decrease the lead held by the Buffaloes to only 10 and thus that is how the game ended as the score was 43-33.

The leading scorers for the Tigers were Spenser Brown with 12 points, Johnnie Smith 8, David Block 6, Kenneth Muldrew 5, and Ernest Standokes 2.

The Tigers will have a chance to revenge their loss to the Buffaloes this Tuesday night and will also have the advantage of playing in their own stadium. All the Tigers need is support from you, the fans, to carry them on to a victory.

## Porks Even in Conference Cage Play

LITTLE ROCK (AP) — The Arkansas Razorbacks evened their Southwest Conference basketball record at 2-2 Saturday night with a pulsating 47-46 victory over Texas A&M.

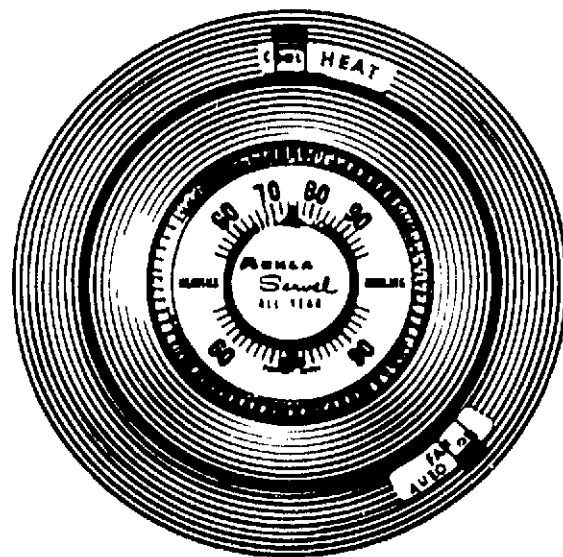

The Razorbacks led by one point with 10 seconds left in the game on a free throw by Wally Freeman, then watched A&M miss two shots in the final seven seconds.

Arkansas led through much of the game and held a 25-21 half-time advantage.

# Three Going Into State Hall of Fame

HOT SPRINGS, Ark. (AP) — The Arkansas Hall of Fame will be increased to 41 members Thursday when Frank Broyles, Elwin (Preacher) Roe and Tommy Freeman are inducted.

Broyles, 42, head coach at the University of Arkansas, will be one of only two Hall of Fame members who are still active. The other is Alabama Coach Paul (Bear) Bryant.

Freeman is a former world welterweight boxing champion, and Roe is a former National League pitching star with the Brooklyn Dodgers.

Freeman, 62, and a native of Hot Springs, won the welterweight crown in 1930, but lost it the next year after successfully defending the title five times.

Broyles' Razorback football teams have won or shared five Southwest Conference championships. His 1964 and 1965 teams were undefeated.

Roe, 48, was born in Ash Flat. He was with the Pittsburgh Pirates before being traded to the Dodgers. He had a 19-11 record in 1950 and a 22-3 record the next year to be named the National League's top pitcher by The Sporting News.

Freeman will be introduced by Bud Canade, whom Freeman taught how to box. Doug Dickey, who was a Porker assistant for several years before moving to a head coaching job at Tennessee, will introduce Broyles.

Joe Garagiola, a sports announcer who has served as master of ceremonies for eight Hall of Fame events, will introduce Roe. Garagiola and Roe once played on the same team.

Morris Frank, a columnist for the Houston Chronicle, will be the master of ceremonies at the Thursday night banquet.

even most partisan fans would find it hard to believe.

"We lost the game on that 17-point spree," Boston Player-Coach Bill Russell said. "We stopped running and began taking bad shots. I told everyone to run, run, run until they got tired and then tell me."

"We've got the best bench in the league and have the strength to run for 48 minutes a game. They just didn't do it."

Wilt Chamberlain, sporting a new look as a complete player instead of just a high-scoring star, played a top role as he scored 19 points, grabbed 25 rebounds, blocked 13 shots and set up baskets for the 76ers.

Elsewhere, Los Angeles tripped Detroit 127-116, St. Louis edged San Francisco 111-112, and Chicago routed the New York Knicks 131-116.

Jerry West's 39 points led the Lakers into a tie for third place with Detroit in the Western Division as the Pistons lost their sixth straight at home.

West scored 17 of his points in the third quarter when Los Angeles pulled from a 60-58 halftime lead to a 96-83 spread.

# Chiefs Says 2nd Half Play No Indication

By FRANK O'REILLY  
Associated Press Sports Writer  
LOS ANGELES (AP) — Len Dawson, veteran quarterback of the American Football League champion Kansas City Chiefs, spoke affirmatively:

"I don't think our performance in the second half is an indication of the strength of our league."

"I'm not convinced they're a better football team than we are. I think we compare favorably with them."

The Chiefs were beaten harshly, 35-10, Sunday by the Green Bay Packers, titlists of the National Football League, in the Super Bowl — the first competition between the rival professional leagues.

But Kansas City, a two-touchdown underdog, fought its NFL counterpart on even terms in the first half, yielding only when Green Bay's Willie Wood intercepted a pass to set up a touchdown early in the third quarter. The score put the Packers ahead 21-10, and they rolled from there.

got behind, we had to deviate from our game plan."

Dawson, a 10-year veteran of pro football, wished he had a second chance. "I shouldn't have thrown it," he said of the intercepted pass. "Their blitz bothered me, and I didn't have any zing on the ball. I shouldn't have thrown it."

Insisting his team may be as good as Green Bay, Dawson conceded that the Packers are better than any AFL club the Chiefs have faced.

Stram was likewise complimentary as he spoke softly from a corner of the crowded locker room. "I was very impressed with the Packers," he said. "They're great offensively and defensively. Everybody knows this. You don't give them anything the easy way. We did, and it cost for us."

In describing the Packers, the Chiefs consistently resorted to the word "great," but rookie halfback Mike Garrett was already rebounding with optimism befitting his 22 years.

Said Garrett: "Believe me, they're not super humans. They're a really fine team, but they make mistakes. We just made more. We'll be back next year. We got a little taste of it today, and we'll be back."

# Bog Goalby's Swing Is Working Now

By WILL GRIMSLEY  
Associated Press Sports Writer  
SAN DIEGO, Calif. (AP) — Bog Goalby's swing is back in the groove and his nerves no longer jangle like guitar strings and he's ready, he says, to make a charge at Arnold Palmer, Jack Nicklaus and Bill Casper on the pro golf tour.

"I feel I am solidly back on my game," the 6-foot, 195-pound former University of Illinois quarterback said after winning the San Diego Open Sunday, the first event on the \$4.5-million pro tour.

Starting the final round with a bulging five-shot lead over the field, Goalby saw his advantage quickly erased by a rallying Gay Brewer Jr. Instead of folding, according to the usual script, Goalby looked the issue dead in the eye and won as a champion should.

He sank a 12-foot birdie putt on the 71st hole to go one stroke ahead and then, after hitting his tee shot into a trap on the 207-yard, par-3 finishing hole, he made a magnificent explosion to within 3½ feet to save his lead.

He finished with a 69 for 269 while Brewer, six strokes back at the start of the day, closed with a 64 for 270. The victory, first in four years by Goalby, was worth \$13,200.

Brewer put together an almost flawless round without a bogey or a 5 on his card. He had 11 fours, six threes and a deuce. He had five birdies in a row, starting at the sixth hole.

Goalby, now 35, grew up in Bellaville, Ill., received a football scholarship to Illinois but never took advantage of it. He turned to golf in 1957.

His best year was 1961. He won both the Los Angeles Open (his previous high check of \$7,500) and the St. Petersburg Open, setting a record of eight straight birdies in the latter event. He finished second in the

National Open.

In 1962, he won the Insurance Open and Denver Open, then his game suddenly collapsed. He virtually dropped from sight.

The field in the \$66,000 San Diego Open did not contain the game's two biggest names — Palmer and Nicklaus — but the field included PGA champion Al Geiberger and U.S. Open winner Bill Casper, the 1966 Golfer of the year.

Bob Charles of New Zealand, former British Open champion, finished third at 273, followed by Geiberger and Dave Hill tied at 274. Casper, improving with every round, climaxed his tournament with a 66 for 275, tying Randy Gieber, Ronnie Reif and Pete Brown.

# McGee Was Hero of Super Bowl

LOS ANGELES (AP) — Max McGee had three wishes, but without a genie it's doubtful if his last two will work out as well as his first.

Wish No. 1 was to play for the Packers in the Super Bowl against the Green Bay Packers. Wish No. 2 was to go on a honeymoon. Wish No. 3 was to retire.

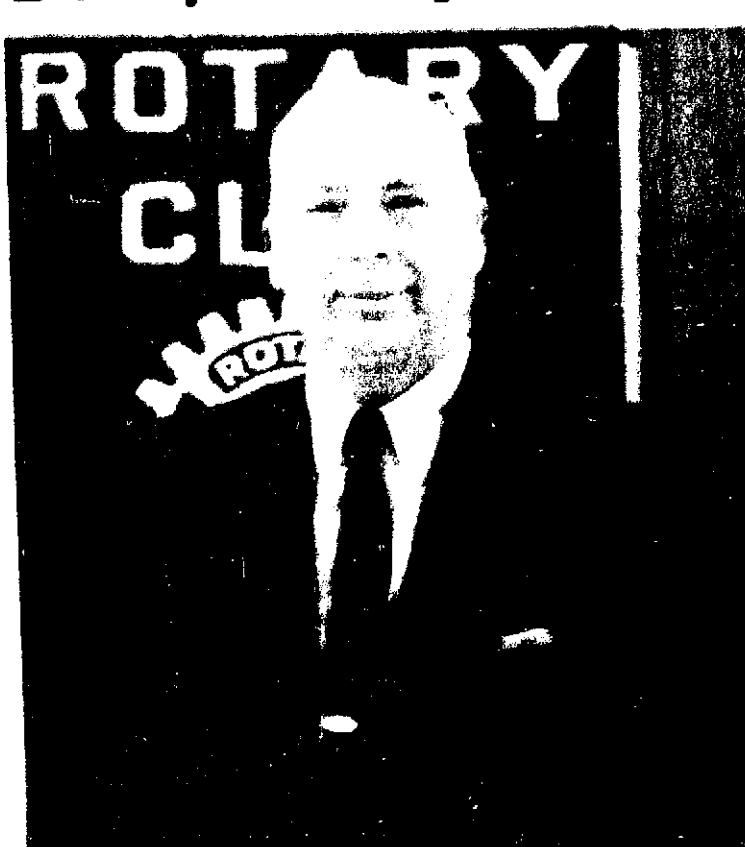

The first worked out sensationally when the 34-year-old veteran of 11 National Football League seasons came off the bench and played a hero's role as the Packers whipped the Kansas City Chiefs 35-10 Sunday in the first Super Bowl game.

The second almost certainly will not happen since the honeymoon McGee wants to go on is Paul Hornung's. And the third remains doubtful since the final word on his retirement probably rests with Coach Vince Lombardi.

In the Green Bay dressing room after his key performance, McGee spoke softly with more than a trace of a Southern drawl in the cubicle he was sharing with Hornung.

"I figured I was going to play

some," McGee said, "but there are plenty of times when things are going good that you don't get in, so I really didn't know. My legs are still good but the old windpipe gives me trouble now."

"The last couple of years I've played only infrequently. When you do that, you can't really stay in the best of shape. I don't get there as fast as I used to as a result, but I still get to the right spot, and that's what's important."

McGee got to the right spot seven times against the Chiefs, pulling in 138 yards worth of passes, scoring twice and pulling in strikes from Bart Starr in key situations during two other Green Bay drives.

McGee grabbed a 37-yard pass from the first touchdown, caught an 11-yard pass on a third down play during the second touchdown march, snared a 11 and 16-yarders before scoring the fourth touchdown on a 13-yard pass and pulled in a 37-yarder during the fifth scoring drive.

The Good Samaritan Act and fear of "involvement" by many today who ignore those in need of help were discussed by Albert Graves at the Rotary Club's weekly luncheon meeting at the Town and Country on Friday, January 13.

"What do we owe to our fellowman?" and "What would you do in a situation like you read about in news reports of 'involvement' fear?" were thought provoking questions put before the club members. The speaker particularly stressed this problem in regard to the medical profession.

President Paul Klipsch welcomed visiting Rotarians John Blundell of Texarkana, D. D. Davis of Warren, Bernard H. Polk and Imon Bruce of Magnolia, and guests, the Rev. Louis Neeley of El Paso, Tex., and the Rev. Gerald Trussell of Hope.

# Celtics Talk But 76ers Do Winning

BOSTON (AP) — The Philadelphia 76ers are letting the Boston Celtics do the talking while they keep on winning at a record pace in the National Basketball Association.

The 76ers are bidding to end Boston's eight-year reign as NBA champions. They shocked the Celtics with 17 straight points within 3½ minutes in the second period and rolled to an easy 110-95 victory Sunday. Philadelphia boosted its Eastern Division lead to 9½ games.

The Celtics, who obviously must look ahead to the playoffs in hopes of keeping the title, continued to maintain they have the best bench in the league, but

## Robinson Now to Get \$100,000

BALTIMORE (AP) — Slugging outfielder Frank Robinson of the Baltimore Orioles, who is spending most of the winter picking up a lion's share of the prizes on the banquet trail, plucked off the biggest plum of the off season during the weekend, a \$35,000 raise.

Robinson and Harry Dalton, director of player personnel for the Orioles, huddled for only five minutes Saturday before agreeing that Frank should receive \$100,000 for the upcoming season. He got an estimated \$65,000 last year.

It's doubtful Robinson will do more in '67 than he did last season, but he hopes he can be more consistent.

"I told Harry I thought I could hit for a higher average and drive in more runs next season if I would be more consistent," Robinson said.

In 1966 Robinson was the American League's most valuable player as he won the triple crown with a .316 batting average, 49 home runs and 122 runs batted in. He also was voted the outstanding player in the World Series which the Orioles swept from the Los Angeles Dodgers in four games.

## Green Bay Takes Chiefs in 2nd Half

By JACK HAND  
Associated Press Sports Writer  
LOS ANGELES (AP) — Vince Lombardi thinks the Kansas City Chiefs simply don't rate with the top teams in the National Football League after watching his Green Bay Packers whip the American Football League champs in Sunday's first Super Bowl game.

"They have a good football team with fine speed but I'd have to say that NFL football is tougher," said Coach Lombardi following the Packers' 35-10 victory before a rather disappointing crowd of 63,036 at the Memorial Coliseum.

The game was supposed to prove which league played the best ball and the NFL came out of this first prestige test with flying colors.

Hank Stram, coach of the Chiefs, paid his respects to the Packers as an excellent team but he maintained, "One game is not a true test of the abilities of both leagues."

Perhaps the best comment of all was made by Lamar Hunt, owner of the Chiefs, founder of the AFL and a major factor in the merger of the two leagues.

"I'm disappointed," said Hunt. "I told somebody they didn't keep the time right. The first half didn't run long enough and the second half ran too long."

At the end of the half the Packers clung to a precarious 14-10 lead and had been out-gained by the Chiefs.

In the second half the NFL champs manhandled Len Dawson, the Chiefs' quarterback, and dominated play by a 21-0 edge.

Willie Wood's interception of a Dawson pass early in the third quarter was the first indication that the Packers were aroused. In the first half they had failed to pressure Dawson and let him scramble around.

Wood rammed 50 yards to the Chiefs' five after picking off the pass that was deflected by Lee Roy Caffey. Elijah Pitts went in on the next play and the Packers were on their way.

Bart Starr had a tremendous day, picking out receivers or calling the right ball carrier on those important third down situations. Of 14 third down calls in the game, Starr produced first downs 11 times. He was named the Most Valuable Player of the game and winner of a special sports car award by a magazine.

Starr threw two touchdown passes to 34-year-old Max McGee, who caught only four passes during the regular season. The 11-year-veteran led the receivers with seven for 138 yards, including the scoring plays of 37 and 13 yards.

On most of his catches the victim was Willie Mitchell, a corner back who was signalled out for special attention in the Packers' game play.

McGee got into the game when Boyd Dowler, the regular flanker, suffered an injury to his right shoulder on the third play of the game.

Los Angeles, Super Bowl gal2 "It was our game plan to throw a lot to the receiver on the weak side," said McGee. "I just happened to be the one."

Talking about the first TD pass that he caught one-handed, McGee said, "I was so surprised that I expected to open my other hand and find a silver dollar."

Starr completed 16 of 23 for 25 yards and two TDs but also had one intercepted by Mitchell, his first in 173 tosses since Oct. 16. He also had a 64-yard touchdown pass to Carroll Dale called back because of a penalty.

Jim Taylor, who still has not signed his 1966 contract and may have played his last game for the Packers, stormed home from the 14 in the second period.

Elijah Pitts, who took Paul Hornung's place, scored twice from the five and one. Hornung, suffering from a pinched nerve in his neck but supposedly available for duty, did not get into the game.

Several of the Packers reportedly have been thinking of calling it quits but the rich postseason rewards (\$15,000 for winning the Super Bowl, plus about \$8,500 for beating Dallas for the NFL title) may make them change their minds. McGee was one of those who said he planned to retire.

The failure to sell out the Coliseum for this game was blamed on the ticket scale (\$12, 10, 6) and a backlash from fans about the local area being blacked out on television. Another factor was the late date in announcing the site of the game due to prolonged negotiations with the TV networks, two of

which (NBC and CBS) finally did a joint telecast.

When Dawson was not pressured strongly in the first half he was able to hit with 11 of 15 including a seven-yarder to Curt McClinton for a touchdown.

Mike Mercer, who missed with a 40-yard field goal attempt in the first period, made good from 30 yards out in the dying seconds of the first half.

The Chiefs never got closer than the Packers' 44 in the second half and that was after Pete Beathard had taken over for Dawson at quarterback. Dawson wound up with 16 of 27 for 211 yards. The two Kansas City quarterbacks were dumped six times for 61 yards, trying to pass.

## Yerger Drops Two Games on Weekend

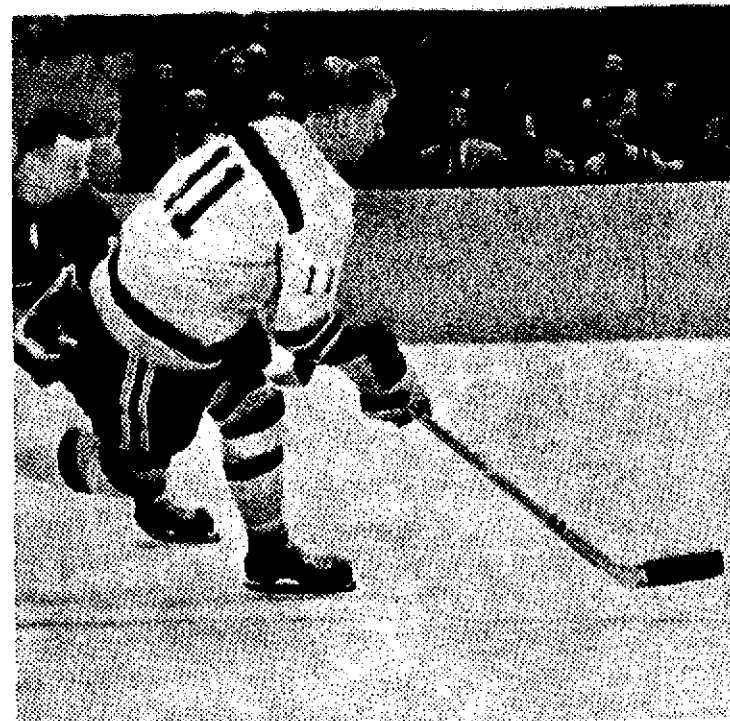

By JAMES HAMILTON

The Yerger Tigers played one of their more suspenseful and exciting games of the season against the Peake High Buffaloes in Arkadelphia. But despite an explosive effort by the Tigers, they were not able to defeat the Buffaloes and lost by scores of 20-17 and 43-33.

The Tigers' Junior Boys started off the action against the Junior Buffaloes with power to spare and made it seem as if they were going to come through with a second straight victory.

The Tigers led at the end of the second quarter by a score of 10-7, which wasn't a very confident margin. With such a short margin held by the Tigers, the Buffaloes were able to come back and eradicate the lead in the fourth quarter and defeat the Tigers' Junior Boys by a score of 20-17.

Frank Prather was not alone this week in doing the scoring for the Tigers. Frank Prater in Saturday's game only scored 10 points while John Dudley scored 7

TOMMY WILLIAMS of the Boston Bruins (11) is the only American on a National Hockey League roster. Williams was a member of the U.S. Olympic team which won a gold medal in 1960.

points and they combined to make the Tigers 17 points.

The Senior Boys, after losing Friday night to Camden by a score of 95-57, felt that they had to console themselves by defeating Arkadelphia, but instead they were again defeated 43-33.

The Tigers had previously been without the assistance of Ernest Standokes, but with Ernest there to sting them along they still

didn't seem to be at their best. The Tigers were not able to hit any of their field goals or free throws. Due to these factors the Tigers lost their 5th game of the season.

At the end of the first half, the Tigers were only behind by 3 points as the score was 13-10. But after the half the Buffaloes pulled away from the Tigers and at one while led them by 19

points. The Tigers, not again wanting to be so badly beaten managed to decrease the lead held by the Buffaloes to only 10 and thus that is how the game ended as the score was 43-33.

The leading scorers for the Tigers were Spencer Brown with 12 points, Johnnie Smith 8, David Block 6, Kenneth Muldrew 5, and Ernest Standokes 2.

The Tigers will have a chance to revenge their loss to the Buffaloes this Tuesday night and will also have the advantage of playing in their own stadium. All the Tigers need is support from you, the fans, to carry them on to a victory.

## Porks Even in Conference Cage Play

LITTLE ROCK (AP) — The Arkansas Razorbacks evened their Southwest Conference basketball record at 2-2 Saturday night with a pulsating 47-46 victory over Texas A&M.

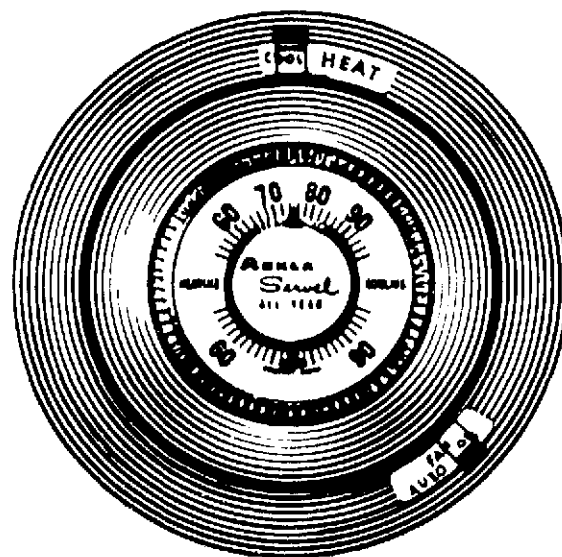

The Razorbacks led by one point with 10 seconds left in the game on a free throw by Wally Freeman, then watched A&M miss two shots in the final seven seconds.

Arkansas led through much of the game and held a 25-21 half-time advantage.

## Three Going Into State Hall of Fame

HOT SPRINGS, Ark. (AP) — The Arkansas Hall of Fame will be increased to 41 members Thursday when Frank Broyles, Elwin (Preacher) Roe and Tommy Freeman are inducted.

Broyles, 42, head coach at the University of Arkansas, will be one of only two Hall of Fame members who are still active. The other is Alabama Coach Paul (Bear) Bryant.

Freeman is a former world welterweight boxing champion, and Roe is a former National League pitching star with the Brooklyn Dodgers.

Freeman, 62, and a native of Hot Springs, won the welterweight crown in 1930, but lost it the next year after successfully defending the title five times.

Broyles' Razorback football teams have won or shared five Southwest Conference championships. His 1964 and 1965 teams were undefeated.

Roe, 48, was born in Ash Flat. He was with the Pittsburgh Pirates before being traded to the Dodgers. He had a 19-11 record in 1950 and a 22-3 record the next year to be named the National League's top pitcher by The Sporting News.

Freeman will be introduced by Bud Canade, whom Freeman taught how to box. Doug Dickey, who was a Porker assistant for several years before moving to a head coaching job at Tennessee, will introduce Broyles.

Joe Garagiola, a sports announcer who has served as master of ceremonies for eight Hall of Fame events, will introduce Roe. Garagiola and Roe once played on the same team.

Morris Frank, a columnist for the Houston Chronicle, will be the master of ceremonies at the Thursday night banquet.

Wilt Chamberlain, sporting a new look as a complete player instead of just a high-scoring star, played a top role as he scored 19 points, grabbed 25 rebounds, blocked 13 shots and set up baskets for the 76ers.

Elsewhere, Los Angeles tripped Detroit 127-118, St. Louis edged San Francisco 114-112, and Chicago routed the New York Knicks 131-116.

BOSTON (AP) — The Philadelphia 76ers are letting the Boston Celtics do the talking while they keep on winning at a record pace in the National Basketball Association.

The 76ers are bidding to end Boston's eight-year reign as NBA champions. They shocked the Celtics with 17 straight points within 3½ minutes in the second period and rolled to an easy 110-95 victory Sunday. Philadelphia boosted its Eastern Division lead to 9½ games.

The Celtics, who obviously must look ahead to the playoffs in hopes of keeping the title, continued to maintain they have the best bench in the league, but

## Bog Goalby's Swing Is Working Now

By WILL GRIMSLEY  
Associated Press Sports Writer  
SAN DIEGO, Calif. (AP) — Bog Goalby's swing is back in the groove and his nerves no longer jangle like guitar strings and he's ready, he says, to make a charge at Arnold Palmer, Jack Nicklaus and Bill Casper on the pro golf tour.

"I feel I am solidly back on my game," the 6-foot, 195-pound former University of Illinois quarterback said after winning the San Diego Open Sunday, the first event on the \$4.5-million pro tour.

Starting the final round with a bulging five-shot lead over the field, Goalby saw his advantage quickly erased by a rallying Gay Brewer Jr. Instead of folding, according to the usual script, Goalby looked the issue dead in the eye and won as a champion should.

He sank a 12-foot birdie putt on the 71st hole to go one stroke ahead and then, after hitting his tee shot into a trap on the 207-yard, par-3 finishing hole, he made a magnificent explosion to within 3½ feet to save his lead. He finished with a 69 for 269 while Brewer, six strokes back at the start of the day, closed with a 64 for 270. The victory, first in four years by Goalby, was worth \$13,200.

Brewer put together an almost flawless round without a bogey or a 5 on his card. He had 11 fours, six threes and a deuce. He had five birdies in a row, starting at the sixth hole.

Goalby, now 35, grew up in Bellville, Ill., received a football scholarship to Illinois but never took advantage of it. He turned to golf in 1957.

His best year was 1961. He won both the Los Angeles Open (his previous high check of \$7,500) and the St. Petersburg Open, setting a record of eight straight birdies in the latter event. He finished second in the

National Open.

In 1962, he won the Insurance Open and Denver Open, then his game suddenly collapsed. He virtually dropped from sight.

The field in the \$66,000 San Diego Open did not contain the game's two biggest names — Palmer and Nicklaus — but the field included PGA champion Al Geiberger and U.S. Open winner Bill Casper, the 1966 Golfer of the year.

Bob Charles of New Zealand, former British Open champion, finished third at 273, followed by Geiberger and Dave Hill tied at 274. Casper, improving with every round, climaxed his tournament with a 66 for 275, tying Randy Gieber, Ronnie Reif and Pete Brown.

## McGee Was Hero of Super Bowl

LOS ANGELES (AP) — Max McGee had three wishes, but without a genie it's doubtful if his last two will work out as well as his first.

Wish No. 1 was to play for the Packers in the Super Bowl. McGee got it. He played for the Packers in the Green Bay Packers. Wish No. 2 was to go on a honeymoon. Wish No. 3 was to retire.

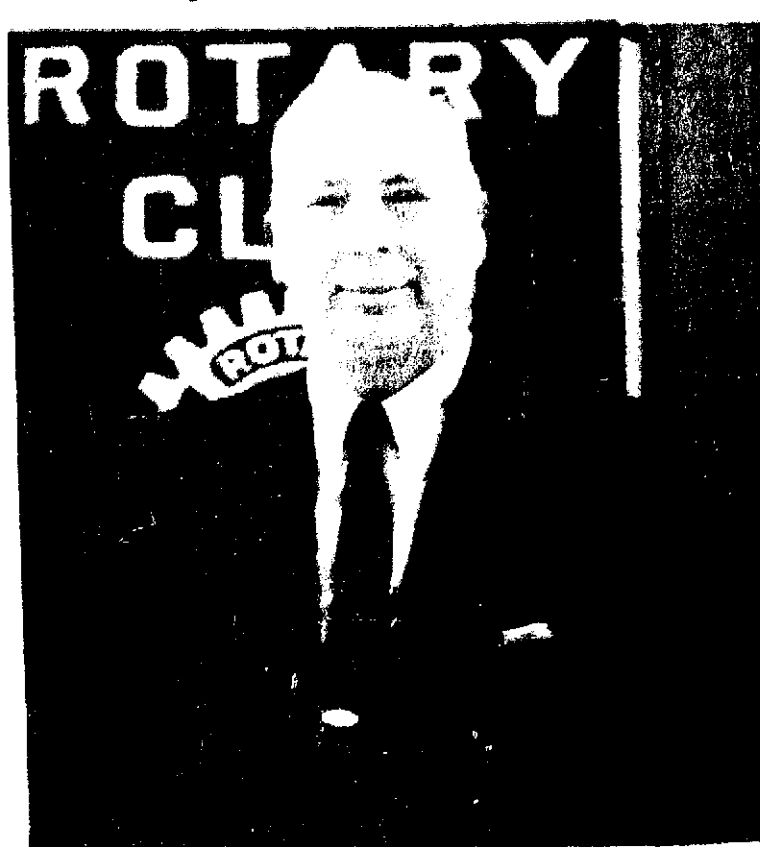

The first worked out sensationally when the 34-year-old veteran of 11 National Football League seasons came off the bench and played a hero's role as the Packers whipped the Kansas City Chiefs 35-10 Sunday in the first Super Bowl game.

The second almost certainly will not happen since the honeymoon McGee wants to go on is Paul Hornung's. And the third remains doubtful since the final word on his retirement probably rests with Coach Vince Lombardi.

In the Green Bay dressing room after his key performance, McGee spoke softly with more than a trace of a Southern drawl in the cubicle he was sharing with Hornung.

"I figured I was going to play

## Deed, Rotary Subject

some," McGee said, "but there are plenty of times when things are going good that you don't get in, so I really didn't know. My legs are still good but the old windpipe gives me trouble now."

"The last couple of years I've played only infrequently. When you do that, you can't really stay in the best of shape. I don't get there as fast as I used to as a result, but I still get to the right spot, and that's what's important."

McGee got to the right spot seven times against the Chiefs, pulling in 138 yards worth of passes, scoring twice and pulling in strikes from Bart Starr in key situations during two other Green Bay drives.

McGee grabbed a 37-yard pass from the first touchdown, caught an 11-yard pass on a third down play during the second touchdown march, snared a 11 and 16-yarders before scoring the fourth touchdown on a 13-yard pass and pulled in a 37-yarder during the fifth scoring drive.

## Chiefs Says 2nd Half Play No Indication

By FRANK O'REILLY  
Associated Press Sports Writer  
LOS ANGELES (AP) — Len Dawson, veteran quarterback of the American Football League champion Kansas City Chiefs, spoke affirmatively:

"I don't think our performance in the second half is an indication of the strength of our league."

"I'm not convinced they're a better football team than we are. I think we compare favorably with them."

The Chiefs were beaten harshly, 35-10, Sunday by the Green Bay Packers, titlists of the National Football League, in the Super Bowl — the first competition between the rival professional leagues.

But Kansas City, a two-touchdown underdog, fought its NFL counterpart on even terms in the first half, yielding only when Green Bay's Willie Wood intercepted a pass to set up a touchdown early in the third quarter. The score put the Packers ahead 21-10, and they rolled from there.

Kansas City Coach Hank Stram said, "At halftime, I thought we could come back and win it. We played well in the first half, but the interception seemed to change the personality of the game. Once we

got behind, we had to deviate from our game plan."

Dawson, a 10-year veteran of pro football, wished he had a second chance. "I shouldn't have thrown it," he said of the intercepted pass. "Their blitz bothered me, and I didn't have any zing on the ball. I shouldn't have thrown it."

Insisting his team may be as good as Green Bay, Dawson conceded that the Packers are better than any AFL club the Chiefs have faced.

Stram was likewise complimentary as he spoke softly from a corner of the crowded locker room. "I was very impressed with the Packers," he said. "They're great offensively and defensively. Everybody knows this. You don't give them anything the easy way. We did, and it lost for us."

In describing the Packers, the Chiefs consistently resorted to the word "great," but rookie halfback Mike Garrett was already rebounding with optimism befitting his 22 years. Said Garrett:

"Believe me, they're not super humans. They're a really fine team, but they make mistakes. We just made more. We'll be back next year. We got a little taste of it today, and we'll be back."

**THE WELL CHILD**  
Discover Wondrous Events In Unborn Child's World  
By WAYNE G. BRANDSTADT, M.D.  
Newspaper Enterprise Assn.

The world of the unborn child is not as dull and monotonous as you might suppose. Even in the uterus he can, after about four months of gestation, open and close his eyes and, if the mother stands unclothed in a well-lighted room, he can differentiate between diffuse light and total darkness. He can also hear not only his mother's heart beat (a very reassuring sound) but also outside noises such as loud music.

Since he is entirely surrounded by fluid he can move as freely as an underwater swimmer but, with all his thrashing around, there is no danger that he will get tangled up in the umbilical cord and strangle. The cord is made fairly stiff until after birth has been completed by the pressure of circulating blood just as a fire hose that is in use is stiffer than one that is empty. The baby's movements will not be felt until about the fifth month when he is large enough to reach the front and back of the uterus simultaneously.

Babies learn by stimulation of their senses and the sense of smell does not develop in the uterus but begins to be manifest when they are about 10 months old. That is why a baby who would eat anything you put into his mouth may, at the age of 10 or 11 months, suddenly reject foods he took before without question.

Babies learn to swallow before they are born and gulp down the amniotic fluid that surrounds them. If they gulp too fast they have been known to get hiccups. This can be more distressing to the mother than the normal kicking she feels after the fifth month. The unborn may also suck his thumb.

When at last your baby is born it is much better, once his breathing is established, to cuddle him for a short period than to hustle him away to the nursery. This will give both of you the kind of emotional experience you are most in need of.

When your baby starts nursing it is a good idea about halfway through his feeding to hold him upright against your chest and let the air bubble come up automatically. This is done not to make him more comfortable but to make more room in his stomach. The more milk he takes the longer it will be before he gets hungry again and starts crying.

All these facts were discovered by a husband and

wife team of physicians in New Zealand as a result of direct and X-ray observation of developing fetuses.

## Rockefeller Trying to Bring Unity

LITTLE ROCK (AP) — Gov. Winthrop Rockefeller has revealed to The Associated Press in an exclusive interview that he had mailed conciliatory letters Friday to all members of the legislature.

The move was seen as an attempt to bring to an end the icy relations that developed during the past week between the governor and the state Senate. Rockefeller said the letters expressed his sorrow that a "misunderstanding" had occurred and restated his willingness to cooperate with the legislators.

Last Monday the "misunderstanding" started when the Senate confirmed 93 of former Gov. Orval Faubus' state board and commission appointments.

Rockefeller said he had learned that the confirmations were coming up on the morning of the day the Senate acted.

Rockefeller sent a two paragraph note to the Senate asking that confirmation be withheld. He said the note may have been a tactical error, but "I had no choice because of time."

Some senators said the unsigned note had seemed "high-handed," and by sending his note the Senators said Rockefeller forced the Senate to flex its muscles.

Several senators said later they probably would have waited had Rockefeller asked them personally. Some senators said they hadn't seen the note and others said that because it was unsigned they had no proof it came from Rockefeller.

Two days after the appointments were confirmed Rockefeller issued a statement that accused the Senate of obstructionism, departing from precedent and making it harder for him to "restore the confidence of the people in their government."

This seemed to inflame the senators and several accused him of political machinations.

"I don't think we're going to have any more problems," Rockefeller said. "This was an unfortunate incident that will be forgotten by most as we get into the vigorous routine of legislation."

## Train Hits, Kills Two Persons

By THE ASSOCIATED PRESS  
John Tyson, 61, board chairman of Tyson, Inc., at Springdale, and his wife, Helen, 51, were killed Sunday when their car was struck by a Frisco Lines freight train at a crossing near Arkansas 264 about three miles north of Springdale.

The Tysons were among four persons killed in Arkansas traffic accidents between 6 p.m. Friday and midnight Sunday, an Associated Press count showed today.

Mrs. Tyson was secretary of the corporation, one of the largest poultry processing plants in Arkansas.

Tyson was a former chairman of the Alcoholic Beverage Control Commission and a member of the state Racing Commission.

State Police said they were apparently en route from Springdale to their home on nearby Beaver Lake when the accident occurred. Shortly after their bodies were removed from the car, it burst into flames.

Services for the Tysons are scheduled for 10:30 a.m. Tuesday at the First Methodist Church in Springdale with burial at follow in Bluff Cemetery.

Ruby Lee Reynolds, 25, of Warren was killed Saturday when her car left U.S. 65 about three miles south of Dumas. State Police said a fire on the car apparently blew out and the car struck the end of a culvert in a ditch.

Officers said Jim Sargent, 94, of Haynes (Lee County) was killed Saturday when he was struck by a car as he walked along Arkansas 1 in Haynes. Police said he was hit by a car driven by Delores Hughes, 30, of Haynes.

## Accidental Shot Fatal

By THE ASSOCIATED PRESS  
LITTLE ROCK (AP) — Allen Banning, 16, of Little Rock was accidentally killed Sunday when he was shot over the left eye as he and a companion practiced shooting at cans, the Pulaski County sheriff's office said.

Officers said Banning was struck by a .22 caliber rifle shot fired by Franz Kelling, 16, also of Little Rock. The two boys and another youth had been on an overnight camping trip.

## Governor Has Report on Prison

LITTLE ROCK (AP) — Gov. Winthrop Rockefeller said Sunday night that he had received a State Police Criminal Investigation Division report on conditions in the prison system about 10 days before he took office.

Rockefeller, who said he would release the report today, said he had refrained from releasing it before until he "was convinced that it would not ignite a tense situation at the prison or compromise possible prosecution."

The governor issued his statement after Eugene Hale Jr., former aide on prison affairs to Gov. Orval Faubus, wrote a detailed article on his part of the investigation. Hale wrote of "sadistic, sordid and barbaric" tortures inflicted on inmates at Tucker Prison Farm.

"I am aware that this problem has been dropped in my lap just as the insurance hearing controversy was delayed until I took office," Rockefeller said.

Rockefeller said the information about the conditions was available to Faubus in August "but he did not choose to reveal the facts."

"But the fact that I have inherited a problem not of my own making does not lessen my desire to seek a solution to it," Rockefeller said. "I have proceeded cautiously in order not to raise a scandal."

"I merely want to correct a bad situation and properly inform the people of Arkansas about the scope and seriousness of the problems in our state prison system."

## Lani Bird to Link Japan and the U.S.

By JOHN D. MCCLAIN  
By The Associated Press—The Communications Satellite Corp. plans to inaugurate commercial communications service between the United States and Japan late this month via its new Lani Bird satellite.

Lani Bird 2, officially known as Intelsat Satellite 2, was launched Wednesday from Cape Kennedy, Fla., and reached a synchronous orbit Saturday 22,300 miles above earth.

The new Lani Bird, replacing Lani Bird 1 which failed to achieve synchronous orbit, is designed to serve as a new communications link between the United States and the Far East.

A spokesman said Comsat will begin today 10 days of tests to determine the spacecraft's communications capacity. It is expected to have about 240 circuits. The first, for use between America and Japan, is scheduled tentatively to be opened Jan. 26.

When launched, Lani Bird 2 reached an elliptical orbit ranging between 160 and 19,911 nautical miles above earth. Comsat sent the spacecraft Saturday into a stationary orbit over the Pacific at the international date line.

Because Lani Bird 1 did not reach a synchronous orbit, it could be used for communications only on a part-time basis. Its 35 circuits now will be used only during emergencies.

On April 1, the Defense Department will claim 30 circuits — 10 each for communications between Hawaii, Japan, the Philippines and Thailand. The National Aeronautics and Space Administration has contracted for half of the new satellite's communications channels.

## Chamber of Commerce Plans Festival and Other '67 Business Filibuster Showdown in Senate

Approximately 25 local citizens attended the first meeting of the Chamber of Commerce Board of Directors last week in the Chamber office. Those other than Board members were comers and visitors.

One of the first and most important items of business was the Annual Southwest Arkansas Poultry Festival, scheduled to be held in Hope this year.

In past years this has been handled by a special committee with the Chamber of Commerce assisting in many ways, however, it was decided by a vote of the Board to make this a part of the Chamber program and hereafter it would be handled by a special committee appointed by the Chamber of Commerce each year that it is held in Hope.

N. B. Coleman, Manager of the local Nashville Production and Credit Office, was named to head the festival committee this year with the assistance of those who have served as chairmen in the past and any other persons of their choosing. This committee will be meeting within the next few days to begin making plans for the festival that is usually held in May or June of each year.

Guy Grigg, Vice-President of the Business Development Division, introduced Mr. Clyde Fouse, as his choice for chairman of the Tourist Committee and Mr. Fouse reviewed some of the program of last year and pledged his efforts toward another good program for this summer.

President Sitzes called on Paul McClellan of the Employment Security Division office to discuss the merits or demerits of taking a labor survey at this time. Mr. McClellan stated that it would not be possible to get a true picture of the availability of labor in the area without a bona fide industrial prospect that had asked for the survey. He further stated that his office had fairly accurate figures on hand as to the availability of labor in the area and that they could call on the services of the State office for additional information when needed. After some discussion the Board decided against making a survey at this time.

The agriculture committee headed by Jerry Alexander was asked to look into the possibility of coming up with some type promotion for the big watermelons this year. Some prizes for the largest ones grown were mentioned and the committee will have something to announce soon.

The membership and finance committees will be making some plans for some activity by these committees sometime soon it was announced by James Morrow, Vice-President of the organization division.

It was reported that plans were in the making for a speaker for an Annual Meeting and Banquet at an early date. As soon as plans are finalized a committee, headed by W. L. Tate, will begin work on this program.

The last item of business was a vote to change the meeting date for the Board from the first Thursday evening in each month to the first Tuesday evening.

## McCormack Place in Chicago Burns

By DAVID R. HOLDEN  
CHICAGO (AP) — A spectacular fire destroyed a major portion of McCormick Place, huge lakeshore exhibition hall visited annually by thousands of conventioners, and the loss was estimated at \$20 million to \$100 million.

There were no injuries reported. Flames roared through the 10-acre structure off Lake Michigan, destroying part of the \$35-million building and a large part of \$100 million of exhibits set up for a housewares show.

Every available fireman and most of the city's fire equipment fought the blaze in 15-degree weather which froze water mains and fire hydrants, rendering many useless.

Fire Commissioner Robert J. Quinn, who made the loss estimate, said he doubted the short water supply made much difference in the fire fighting.

## Filibuster Showdown in Senate

WASHINGTON (AP) — Senate leaders hope for a showdown this week in the battle over the Senate's antifilibuster rule.

A bipartisan group of senators, renewing efforts that have marked the start of every new Congress since 1953, is bent on making it easier to cut off paralyzing debates.

In the House, Democratic members caucus Tuesday to fill a vacancy on the powerful Ways and Means Committee. Reps. Jacob H. Gilbert of New York and Omar Burleson of Texas are seeking the seat in what is billed as a liberal-vs.-conservative contest.

Once the Democratic members of the Ways and Means Committee are named, they will draw up committee assignments of other Democrats. House Republicans also are expected to make their committee assignments this week.

Senate committees were completed last week.

The Foreign Relations Committee starts today on a wide-ranging review of the world situation with Secretary of State Dean Rusk as the witness in a closed session.

In the scrap over the Senate's cloture, or debate-closing, rule, two alternatives have been offered. The present rule requires a two-thirds approval of senators voting for there to be any forced halt to a filibuster.

One proposal would permit a three-fifths majority of senators voting to end debate. The other, given virtually no chance of adoption, provides that a majority of the Senate membership could cut off a debate after 20 legislative days.

The Senate picks up where it left off last week—debating a motion to consider the three-fifths proposal.

Foes of any change, led by Sens. Everett M. Dirksen, R-Ill., and Richard B. Russell, D-Ga., contend that it will take a two-thirds majority to stop them from talking.

But Sen. George McGovern, D-S.D., chief sponsor of the proposed three-fifths rule, told a reporter he probably will move Wednesday to cut off debate by majority vote under the Constitution.

He and others leading the fight for a tough antifilibuster rule maintain that at the start of a new Congress a majority of the Senate has the right to adopt rules.

Dirksen, Russell and others counter that, since only one-third of the senators are elected every two years, the Senate is a continuing body and its rules carry over from one Congress to the next.

This issue may be put to Vice President Hubert H. Humphrey, the Senate's presiding officer, for a ruling to determine the outcome of the filibuster on antifilibuster rules.

Charlotte, N.C. (AP) — Author-Editor Harry Golden, once on the critical list, was reported Sunday walking about and watching television at Memorial Hospital, Charlotte, N.C.

A spokesman said that, although Golden is showing continued improvement, no date for his release has been set.

Golden was hospitalized Dec. 27, underwent an operation for removal of his gallbladder, and then suffered respiratory complications.

## Monks Become Human Torches

KUALA LUMPUR (AP) — Two aged Buddhist monks, protesting the war in Vietnam and the possibility of a nuclear war, burned themselves to death Tuesday in Ipoh, northwest Malaysia, it was learned here today.

## Rusk Defends Bombing of N. Vietnam

WASHINGTON (AP) — The Senate Foreign Relations Committee questions Secretary of State Dean Rusk today on Vietnam policy. He's expected to defend the U.S. bombing of targets in North Vietnam.

Committee Chairman J. W. Fulbright, D-Ark., and Senate Democratic Leader Mike Mansfield, a member of the committee, repeated their doubts about U.S. policy in Vietnam on the eve of the closed hearing, indicating Rusk faces critical questioning.

Rusk is scheduled for a public hearing before the committee next Monday. A public hearing last February produced Rusk's hottest exchanges with committee members.

Amidst some reports that bombing in the immediate area of Hanoi has been curtailed in the past month, Mansfield and Fulbright each questioned whether bombing has brought North Vietnam any nearer the peace conference table.

"The bombing has hurt them to a degree," Mansfield told an interviewer. "But it is questionable whether the goals sought in the bombing were achieved."

There were also these comments or developments on the war:

The five freshman Republican senators, in a joint appearance, split 3 to 2 in favor of continuing the bombing.

Senate Republican Leader Everett M. Dirksen said, "I don't think we've looked down the road far enough to chart the course where we're going when the hostilities are finally over."

Michigan Gov. George Romney, a possible contender for the 1968 Republican presidential nomination, suggested privately after a meeting with Henry Cabot Lodge, U.S. ambassador to Saigon, that the administration may be placing too much emphasis on bombing as a means of cutting the flow of supplies from North to South.

Lodge discussed the war at a closed meeting with Italian Foreign Minister Amintore Fanfani in Rome.

Assistant Senate Democratic Leader Russell B. Long of Louisiana said the United States should "bear down" harder to win the war, even at the risk of war with Red China or the Soviet Union.

King vacationing in Jamaica

KINGSTON, Jamaica (AP) — Dr. Martin Luther King Jr., civil rights leader, has arrived in Montego Bay for a vacation at Ochos Rios on Jamaica's north coast.

He was greeted at the airport by Kingston Mayor Cecil Donaldson.

Dr. King is scheduled to remain in Jamaica through Feb. 8.

## Four Prison Trusty Guards Walk Off

TUCKER PRISON FARM, Ark. (AP) — Four trusty guards at the Tucker Prison Farm remained free today after walking off the farm Sunday during the time they were giving the prison's dogs a routine exercise.

Prison Supt. O. E. Bishop said the trusty in charge of the dogs and three trustys who worked on the prison's long line failed to return some four hours after leaving Sunday morning with the dogs.

A check of the area revealed that they had fled, Bishop said, and wardens and State Police immediately set up roadblocks in the area.

The escapees were Jimmy Pike, Calvin Smith, 54, James Edward Stephens, 24, and Rick Emerick, 38.

South Vietnamese headquarters also reported that government troops killed 66 Viet Cong in four engagements Sunday in the Mekong Delta and 46 Communist soldiers in an action in northernmost Quang Tri Province 410 miles northeast of Saigon.

U.S. military headquarters reported a steadily mounting toll of Communists killed or captured in Operation Cedar Falls in the "iron triangle" north of Saigon and the termination of Operation Deckhouse 5 in the Mekong Delta.

WORLD ALMANAC  
FACTS

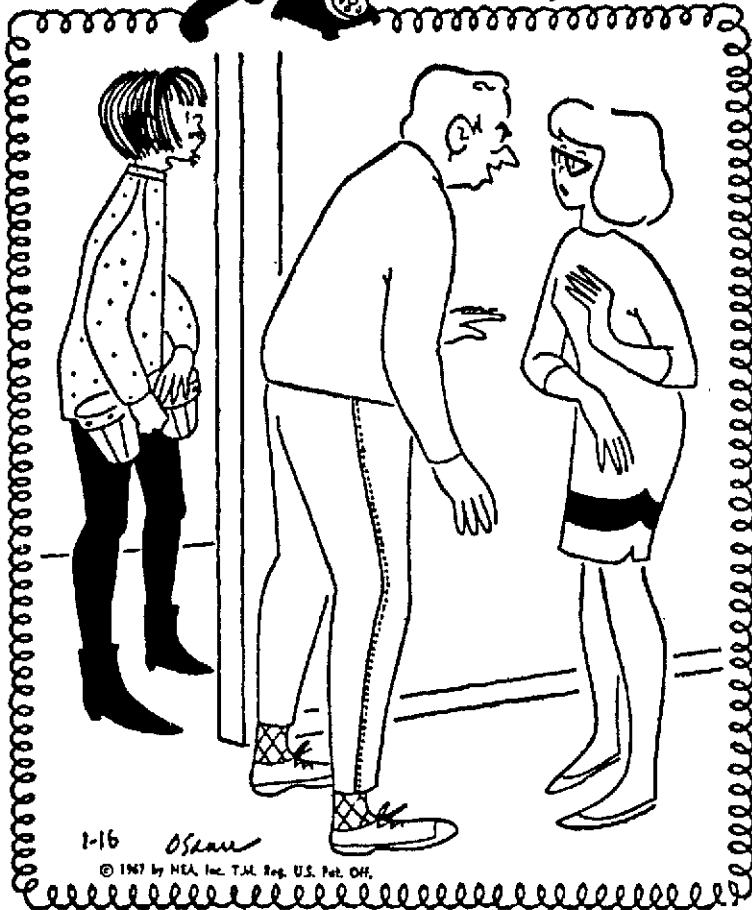

University students of medieval Europe lived a rigorous life compared with their modern counterparts. According to The World Almanac, classes were held in rooms rented by the teacher or in a church if one was available. Students often sat on the floor and listened to a lecture entirely in Latin. Since there was no paper, and parchment and books were expensive, most students were forced to memorize as many of the professor's words as they could.

Omar Sharif, the great actor who portrays Dr. Zhivago in the movie, is one of the most enthusiastic bridge players we have ever met. He came to the Fall Nationals with Benito Garrozzo, a member of Italy's world championship bridge team.

The presence of these distinguished bridge players created a problem. The main event was the Blue Ribbon Pairs which is restricted to a very few top players. The League wanted to ask them to play but feared that the qualified players might object. The players solved that problem for the League by getting up a petition to ask that the distinguished pair be allowed to play. Needless to say the League was delighted to go along with the petition.

They were also allowed to play their system as devised by Garrozzo. In this system the opening one club bid shows at least 17 points and is forcing, so that Garrozzo's one club opening on the hand shown today was standard for them. So was Sharif's one no-trump response. This call showed four control points based on counting one ace as two control points and each king as one control.

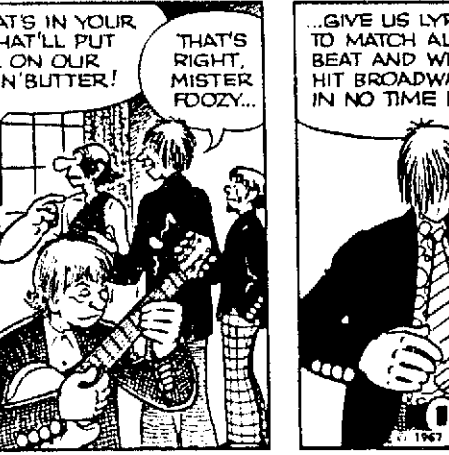

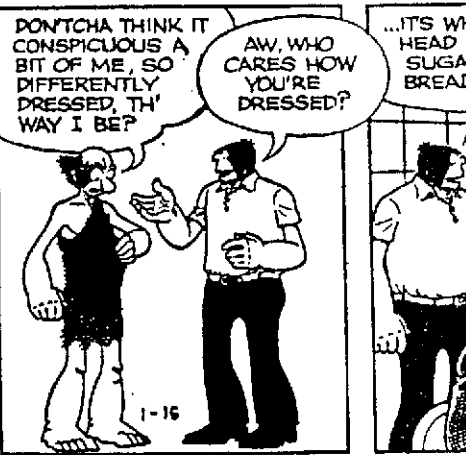

This system saved lots of time in the rest of the bidding. Garrozzo was looking at two aces and three kings and he knew that his partner's four controls showed two aces. He could use the ace of hearts for a discard of his fourth spade and the ace of clubs made the rest of his hand good. Garrozzo closed the bidding at seven no-trump.

The East-West hands and opening lead aren't shown because they do not matter. There were 13 tricks without bothering with the jacks of spades and clubs.

# Quirk of Income Tax: Who Is Dependent?

By RAY DE CRANE  
Newspaper Enterprise Assn.

Your 17-year-old son, a junior in high school, earned \$750 last year by working after school and during his summer vacation. With his earnings he clothed himself, supplied his own spending money and bought his school supplies. It cost you, as his father, an additional \$500 to maintain him.

Your 18-year-old daughter, a senior in high school, worked in an office after school, on Saturdays and throughout the summer vacation. She earned \$1,800 and banked it all for her college tuition. You paid all her expenses.

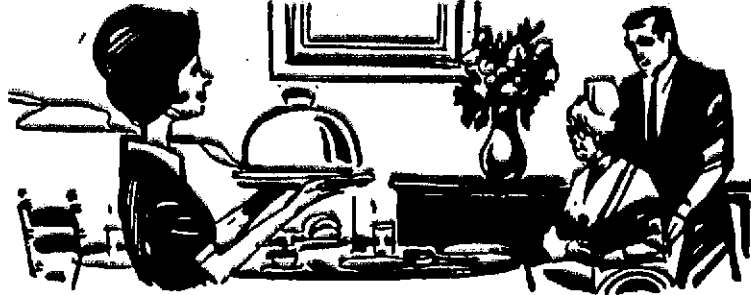

You furnished the chief support for your mother, a widow over 65, who lived in your home last year. Her only income was \$55 a month rent she collected from her former residence.

**Question:** Which ones can you claim as dependents on your income tax return for 1966?

**Answer:** Only your daughter.

Every year taxpayers seem to have more trouble over the question of dependency than any other item on their returns. Here are the five conditions which must be met before a dependency exemption may be claimed:

1. The person being claimed must have received less than \$800 in gross income. (This qualification does not apply to your children under 19 or who are full-time students.) This ruled out the possibility of claiming your

mother in the example above, however.

2. The taxpayer must have furnished more than one-half of the total support for the year. (This ruled out your son.)

3. The person claimed did not file a joint return with his wife or her husband.

4. A nationality requirement must be met.

5. The claimed dependent must be related to you or, if not a relative, must have lived in your home for the entire taxable year.

Sometimes a little prudence in adjusting amounts can swing the balance. For instance, if the boy saved \$300 of his earnings, or if the mother had reduced the rent to below \$50 a month for the full year both could have qualified as additional dependents on your return.

A baby born any time during the year—even on Dec. 31—entitles the parents to a full \$600 dependency credit. A dependent who dies during the year may be still claimed for a full credit in the year of death.

And your daughter for whom you furnished chief support all year but who married on Thanksgiving Day may be still claimed as a de-

pendent on your return BUT ONLY if she does not file a joint return with her husband or is not listed as an exemption on his return.

(NEXT: Getting the most out of medical expenses.)

## Kentucky Again Loses, UCLA Wins

By DICK COUCH  
Associated Press Sports Writer  
Princeton's tall Tigers may be outgrowing the Ivy League, but Kentucky has been squeezed into an uncomfortable fit in the tough Southeastern Conference. While Princeton, the nation's seventh-ranked college basketball power, humiliated Harvard and Dartmouth last weekend for a 4-0 perch atop the Ivy standings, No. 10-ranked Florida belted Kentucky 89-72 and tumbled the Wildcats into the SEC cellar.

The Tigers, seeking their

the weekend sweep while Hummer had 23, Haarlow 28, Gary Walters 27, Joe Helser 25 and Robby Brown, the 6-foot-9 reserve center, 21.  
Beaten only by second-ranked Louisville in 14 starts, the Ivy giants appear certain to go up in the national rankings this week.  
Kentucky, however, may be headed for its worst finish in Coach Adolph Rupp's 37-year reign after absorbing its third loss in three SEC starts and slipping to 5-6 over-all.  
The Wildcats were 32-2 last season, bowing to Texas West-

ern in the NCAA final. They have won or shared 22 conference titles in 34 years and have never finished in the basement.  
Florida, which has never worn the SEC crown, raced to its sixth league victory against one setback as Gary Keller and David Miller each canned 23 points.  
The Gators, 11-1 on the season, entertain Tennessee while Kentucky visits Georgia in SEC games tonight.  
Top-ranked UCLA and four other titans won Saturday night but No. 3 New Mexico bowed to

Denver 71-66 for its second loss in two nights.  
Law Aicindior sat out 11 minutes but still poured in 37 points as UCLA ran its unbeaten string to 12 games with a 116-78 romp over Stanford. Butch Beard, Louisville's soph sharp-shooter, scored 41 points as the Cardinals, 14-1, trounced Bradley 103-74 on the losers' court.  
Houston, No. 4, also made it 14 out of 15 by smashing West Texas State 103-72 behind Elvin Hayes' 24 points. Eighth-ranked Kansas, 11-2, shot past Missouri 70-60 and remained on top in the Big Eight Conference while

Providence, No. 9, rode Jimmy Walker's 19 points to a 64-47 victory over dogged Duquesne.  
New Mexico, which fell into the Western Athletic Conference cellar after being upended by Wyoming Friday night, stumbled again at Denver, where Harry Hollins' 28 points shot down the Lobos, now 11-3.  
Fifth-ranked North Carolina and No. 6 Texas Western were idle.
